International Festival Day – Over 100 Polish & English students between 8 & 16 years of age.

In its 12 Years of working together on a programme called Dreams & Teams, Biddick Academy in Sunderland and Zespól Szkolno Przedszkólnej in Poland enabled 50 students in Year 10 to plan and lead a 1 day Festival for Year 5 students from Sunderland in June 2015. Year 5 students got fully involved in the day, each school representing a Country in the world. A messy fun morning saw the children create team flags which represented their country. After a few hours of creativity and facepainting courtesy of the Dreams and Teams, students created the Opening Ceremony for the afternoon's Diversity Festival. Live music provided by the GCSE music students from Biddick Academy in an open air amphitheatre created the perfect setting for the occasion.

"I'm so glad I decided to participate in the Dreams & Teams programme this year, I can definitely say it's been the best thing I've ever done. Year 10 Biddick Academy student.
